MADE IN CHINA

### WARNING

- This product is not suitable for children under 11 years of age. 11–15 year olds need to be supervised by adults.
- Keep the plastic bags away from babies and children.
- Read the manual before you start assembling.
- Make sure that the kit is complete with all the parts.
- After cutting the shell parts with pliers, Use the knife and the file to cut off the excess.
- Avoid direct touch with the components on the PCB board.
- Avoid handling the PCB while it is powered.
- Only handle by the edges to minimise the risk of electrostatic discharge damage.
- Do not expose it to water, moisture or place on a conductive surface while in operation.
- Do not expose it to heat from any source; the product is designed for reliable operation at normal ambient room temperatures.
